

# Noosa Junction station

## Program Schedule

### Program Schedule (as at mid November 2010)

Project Milestone	July	August	September	October	November	December
Site establishment and clearance	completed					
Sunshine Beach Road access closed		6				
Lane closure on Cooyar Street				25		
South retaining wall (along pathway within car park)						
North retaining wall (along Sunshine Beach Road)						
Earthworks						
Bus station works						
Car park works						
Landscaping						
Shared zone and footpath works						
<b>Access works for adjacent traders completed</b>						
<b>Car park operational</b>						

Please note: The Noosa Junction station is scheduled to be operational in early 2011. As indicated in the schedule above, construction timeframes have been impacted by wet weather that has occurred during the project. The project team will continue to make every effort to ensure any further delays to the schedule are as minimal as possible. We are committed to delivering this project with as little disruption to trade as possible.
